Tribute from Rev Chuck Harper

Relation: working relationship

Hello, my name is Chuck Harper. I just found out about Lloyds passing. I am a Community Chaplain in Vernon. I have known Lloyd for ten years primarily when I worked at the Mission here. I used to see him regularly and would have some great conversations about all kinds of things over the years. He was most often pretty happy. I am truly sorry for his passing. We will be holding a bit of our own memorial here as something we do regularly when one of our own passes away. He will be remembered.
