Tribute from Anne Hamilton

Relation: Appreciative Customer

My deepest blessings to Lorne's wife and children, and family.. I am so grateful that the family posted an obituary in the local paper. I knew Lorne as my surrogate father in his role at the hardware store. His kindness, his soul light and his generous heart was a delight. He was so respectful and never made me feel silly when I asked him how to use some small tool, gadget or needed his help for my projects. I appreciated his teaching, patience and his curious mind. Always a smile, a twinkle in his eye and a sincere good luck! as I walked away armed with his knowledge and support. Dear Lorne, Blessings to you on your journey home!
