Tribute from Christopher Hebb

Relation: Working Colleague

Lou and I worked together over a ten year period from 1970-1980 at Kaiser Resources. I also know and admire Bea. My wife, Dorothy also worked with Lou at Kaiser Resources.
I always looked forward to working with Lou on any project. We had the same outlook on the world. He was always full of wisdoms which he was willing to pass on. His vigor lasted until the very end. He is a beacon for all of us as we approach the later years.
I appreciated getting together for some of his breakfasts with his closest Kaiser associates and companions. Lou will be missed with great affection.
With love to Lou's Family,
Christopher Hebb.

Tribute from Greg Neeld

Relation: Uncle

Dear Aud and MO, my sincere condolence and sympathy reacches out to you and the entire Cherene family. It is a very difficult time for you because I know what Lou meant to my Aud and MO. Time does heal but memories are forever. Lou is a gentle and kind man. If there were more people in the world like Lou, it would be a better place. I will never forget the help Lou gave me and my family during my fight for the right to play in the NH with one eye. Lou is in a better place now and is looking over you as he always did. You will know when he does. God Bless Lou and I am here for you, anytime. Love you, Greg

Once again at the same time every year I tried to contact Lou for our yearly get together for lunch. We were work associates and over the years good friends.
