Relation: friend during the VCF days

We have just been told about Margarete's passing, and are saddened to hear that she's gone from this world. Art and Marg were a vital part of our lives during our Vernon years (1981-85), and we have many memories of Marg's dry sense of humour, her calm manner, her creativity expressed in so many little ways in her home and in the church. Later, we again found our lives linked by The King's School in Langley. The memories of Marg are sharp and poignant. She will be sorely missed. May God give comfort and strength to all who loved her. -- Bob and Jary Bingham

Relation: Marg is my best friend, forever

Not a day goes by that I don't carry ME with me. Words can't do justice in describing the beautiful, truthful, amazing person she was and is. I miss her terribly, but am grateful to Jesus that suffering can no longer touch her. I will celebrate you always, my dearest friend. I love you forever. Laur
