Tribute from Luella Retzlaff Bartel

Relation: Family Friend

Marie was a dear family friend when my family lived in Aldergrove some 30 years ago. She and my mother had many precious times of shared laughter and tears. Our thoughts and prayers are with you Linda, Eric and Gotthard, and with your families as you grieve Marie's passing and celebrate her life so well lived! She was a woman who has left a legacy of caring, love and blessing in the lives of many!

Relation: distant cousin

Gotthard, Eric & Linda -

Although it has been years since I have been to BC, I still remember vividly and fondly the gathering of the cousins. There was always food and laughter....lots of laughter....lots of food. Tante Mary was always in the middle of the good times. She welcomed everyone with open arms and her friendly smile. You could see that she loved having family and friends around. She really made the world a better place. I treasure those memories.

I share in your sorrow, but rejoice that she suffers no more.

Eternal rest grant unto Mary and let perpetual light shine upon her. May she rest in peace.

Tribute from Lilian Schaufele nee Williams

Relation: Friend

Dear Eric and Linda, you may not know of me but I have known your Dear Mother since I was a small child. She used to babysit me and my brother when your Mother and Grandparents lived at Bellevista Farm in Langley. Your Grandfather worked for my Dad. I remember attending your Mom and Dad's wedding. For a couple of summers I picked Strawberries for your Mom and Dad. She came and picked me up at Milner in her bug. Over the years she often would be in touch with my Mother, especially on her birthday which was the day after your Mother's. Sorry to hear of your loss. May your many memories bring you comfort.

Tribute from Ingrid Blechner

Relation: Cousin from Ontario

To Gotthard, Eric and Linda and family members; My heartfelt sympathy to you all. Marie was the shining light, full of warmth and caring no matter who she met or where she went whether it was the church family, new comers to the area or just visiting with family and friends. She had a gift to communicate effortlessly with everyone. Whenever we talked on the phone she was eager to find out how everybody was doing and those conversations lasted close to 1 hour and I will miss that. You are at peace and you will be remembered by all who loved you. Ingrid and family
