### **Tribute from Jo -Anne Lardeur**

Relation: I was Marilyn's hair stylist for 35+ years.

Marilyn will be forever remembered as someone very dear to my heart. For 35+ years I've had the honour of being her hair stylist and have shared many years of great stories, happy memories, lots of laughs and also some sad moments. But mostly she spoke of her amazing kids that were the light of her life always followed by the latest pictures of the great adventures her grandkids were having and she literally would beam with pride and love.

When I worked out of my home she would come for her haircut and always called before she left the house "Jo-Anne put your oven on!" And sure enough a huge tray of fresh buns would be popped in to bake for my kids while she had her appointment. My kids called her "the bun lady" and were always so excited for their after school snack. So many good times, I will miss her quick wit and infectious laugh greatly.

,RIP my friend, I will cherish our time together forever..
