Wiebe and Jeske Funeral Home Staff send our condolences to family and friends. Our thoughts and prayers are with you all.

**Tribute from Don McIntyre**

Relation: Friend

My sincere condolences on the recent loss of you wife and mother. I fondly remember Marj as a wonderful wife of quiet loving fireman, and mother of two of my former students, one who sped through university to become a teacher and the other who excelled in that profession and was an outstanding basketball player. Everyone will remember Marj's enthusiasm and smile even if they supported the opposition.

My regards, Don McIntyre from Windermere Secondary

**Tribute from Dorothy Fowler Flynn**

Relation: friend

To Tom, Bill, Norm and families my sincere condolences. I recall fondly the rendezvous at the east side home, meeting up with Norm and Bill on the way to Cypress, the Abbey basketball get togethers and always in the same seats at the provincials! Not a more dedicated cheerleader anywhere than Bear, she was special. My love to all of you. xo Dorothy

**Tribute from Lisa Nickle**

Relation: friend

To Norm, Tom and family:

My love and thoughts to you. Bear opened her heart and home to my girls basketball teams. She offered loving advice, warm beds, and, of course, great food ! She will be missed. I only hope I can be close to the wonderful mother and friend she was. Lisa and family.

**Tribute from Bruce and Loreen Seney**

Relation: long time acquaintances

Dear Tom, Bill, Marguerite, Matthew, Catherine, Jessica, Norm, Sherry, Ashley and Courtney:

We were so saddened to hear of Bear's passing. Marj was a warm-hearted, caring, honest,

supportive, hard-working, wonderful woman who was a fantastic wife and mother and grandmother and also, at all times, a credit to her community. We have so many fond memories of her and the Bradley family - in their home, on the baseball diamond, at the football games, on the golf course, and at all the basketball tournaments.

Thinking of all of you at this difficult time.

Regards, Bruce and Loreen Seney

**Tribute from Trudie McLellan**

Relation: Former Eaton's Co Worker

When I was a student at UBC your Mom was like our Mom at Eaton's Accounts office down in the old Eaton's building on Hastings. We would spend time talking about our love for sports and the Lions. Later on when I was teaching at Killarney and supporting my cheerleaders at the basketball games, it was great to catch up with Marj. She was a special lady. My thoughts are with your family at this time.

**Tribute from Russ & Brenda Hall**

Relation: Friends

To each and every one of the Bradley clan, we send our deepest condolences on the loss of the Bear. She was truly one in a million who always had the ability to make those around her feel better just by her presence. She will be fondly remembered as the super fan who was good for at least 10 points when she was seated in her special place at the Abby Pit.

**Tribute from Jean Kuwabara**

Relation: Neighbour

We remember Marge fondly as our friendly, kind next door neighbour on East 23rd Avenue. There were many over-the-fence conversations with lots of laughter and exchange of family news. Our sincerest sympathy to the family at this time, Rae, Shig, Jean, Irene & Paul

**Tribute from Jeannette Isherwood**

Relation: Care-aide at Worthington

I know this late in coming. Tom and Bear's family have been in my thoughts lately. I remember writing this website down to send condolences. So that is what I am doing. I miss Bear but know she is at peace now. I also miss Tom and his gentleness and commitment with his Bear. It was a pleasure and honour to care for her. With my deepest sympathy to the Bradley family.
