Tribute from Indira Arreaga

Relation: Mother of a long time good friend

Remembering all the good meals cooked and all the smiles shared along side of the very welcoming Mrs. Huang and family.

Tribute from Na Huang-Ho

Relation: Daughter

When we lose a loved one here on earth, we gain an angel in heaven that watches over us. I know that she's with the angels now and making them laugh like she did here on this earth. For we know that when she departs from this earth she never truly leaves, she will still live in our hearts and minds, through us, she lives on. May fond memories of mom/mama bring you comfort during this hard time in your life. Look back on all the good memories you were able to have and smile at the fact that you were able to share these before she passed away. She will never be forgotten for we have a strong and close family that will cherish the memories and we'll tell everyone what an amazing, loving and forgiving person that she is. We will miss you, and we will always love you. You'll always be in our heart and mind. Thank you for being our mother/ grandmother. We were truly blessed to have you in our lives.

Tribute from Teresa de Sousa

Relation: friend of family

To all of the Huang family, my deepest and sincerest condolences on the loss of your mother. Your mother achieved much in her life as is evident in the success and integrity of each one of you (her children and grand-children). Know that her love and light is always present and forever with you. I send you all my love, friendship and support.
