Tribute from Jodi Beveridge

Relation: Worked with Mike at VMS

It is with a very heavy heart that I write this. Thinking of Mike's family at this sad time! I have worked with Mike at Vedder Middle School for the past 15 years. Mike would always make his famous cheese crackers for the staff but I would always find my very own supply on my desk in the office. Whenever we would have a revised bell schedule, if we were a second late from manually ringing the bell, Mike would be the first one on our intercom reminding us to do so. He will be missed!! Take care Mike, I hope you find peace and comfort in the heavens above!!! Hugs, Jodi

Tribute from Lynn Welder Lalonde

Relation: Friend

My thoughts and prayers go out to the entire Stewart family. "Stewey" and I go way back - elementary & high school (& beyond !!). He was an amazing guy with an infectious laugh and an impish grin. He teased the heck out of me and I loved every minute of it. You will be terribly missed my friend but your

memory will live on forever in our hearts. May God envelope you and keep you safe. Luv Lynn Welder Lalonde

Tribute from Selina Donahue

Relation: My math teacher this year

Mr.Stewart was an amazing teacher. He helped me a lot in math and science this year and always had a smile on his face. When our class could tell that he wasn't feeling as well as he usually feels our hearts sunk as he was such an amazing teacher. He always had a smile on his face and his laugh was the type of laugh that would make everyone else laugh too as if it was contagious. Knowing that when I go back to VMS in the fall and am not gonna see him there breaks my heart and I just want everyone to know that Mr.Stewart was the best teacher I have ever had and my favourite teacher by far. R.I.P

Relation: friend of my son

I'll always remembe rMike as one of 4 lads who hung around together. My son David, Ron, John and Mike. They had many good times together and were able to keep their annual Golf Championship going for many years. Mike always had a big smile and I recall his Christmas Santa oufit,a bright red coverall. H e wore it when they went out spreading Christmas Cheer. I'm so sad to hear that he has left us. Diane Davies

Relation: Friend

Dear Stewart Family,
It is with a vary heavy heart that I send you all my condolences for Mike. I am so sorry for your loss and may the Lord guide you in your time of sorrow.
Know that Mike touched so many lives throughout his teaching career. Teaching is a very demanding, challenging profession and Mike diligently served for many years .He opened up new worlds for so many of his students. He is to be commended for that.
Mike was always rather happy and a joy to be around as a kid growing up at up your house.. He was always teasing me in a joking fashion and called me Peaches.. I always remember Mike swimming

underwater and holding his breath for numerous laps. Mike was a solid big brother and just a good guy.. He was a good friend to me .
Know that my family and I extend the most heartfelt condolences to all the Stewart family. I know he is happy and probably playing golf in heaven with Ellen. Rest in Peace MIke.
Take good care Gerry, Tami, Pat, Brenda, Sandra, Todd and Pam. Know that all of you are in my prayers.. Love you, Peggy Sullivan

Tribute from Linda Ross

Relation: I worked with Mike at VMS

Dear Stewart Family,
I was deeply saddened and shocked to hear of Mike's passing. I am a retired employee from VMS. I worked with special needs students in Mike's classroom. Mike was very accomodating and showed great patience and care towards myself and the students. He was a thorough teacher, very organized and the students learnt a lot in his classroom. I remember him as being so kind and wanting the best for his students and Education Assistants that were fortunate enough to be in his classroom. He will be missed very much, the school won't be the same without him. Thinking of all of you in the your loss of Mike.
Sincerely, Linda Ross

Relation: friend and colleague

I was very saddened to hear of Mike's passing. When I worked at Vedder Middle Mike was a good friend and colleague that was willing to go the extra mile to help a fellow teacher out. Witty, sincere and a joy to be around he will be missed. My heart goes out to Mike's family at this difficult time.
