Tribute from Justin and Vanessa Falconer

Relation: Family friend

Donna, Deana, Leanne, and family,
You are all in our thoughts and prayers today as you gather to celebrate a life which was very well lived. Neil knew how to have a good time but something that I will always remember is how he loved to bring people together. He looked for ways to give others joy and loved to include others in the things that brought him enjoyment. I am so thankful for all those camping trips, holidays, pool parties, after church coffee times, and superbowl parties that Neil made sure we were a part of. It always hurts to say goodbye but what an example Neil gave to us all of how to get everything out of life that we possibly can, especially when life throws you a curveball. Even through his ALS he was still able to reach out with that powerful ability of his and make Vanessa feel like she had known your family for years. We wish we could be there with you today to celebrate Neil's life as he meant so much to us as well. We love you and will continue to pray for you all through the coming weeks and months.

Dear Donna,
We have just returned from a holiday and as I was catching up with the local newspaper, I saw Neil's obituary. I was so shocked as was George. Our sympathy and thoughts go out to you at this time. I know you have many wonderful memories to help you through the road ahead.

Sincerely, George and Fran

Tribute from Jim and Marci Falconer

Relation: close friends

Dearest Donna, Deana and family, Leanne and family and extended family ~ our hearts are so touched with the loss of your dearly beloved Neil. We are filled to the top with warm memories of all our connections and cherish every one of them. Neil's life brought blessing to our family for 40 years and his testimony had great impact on many. We are so blessed with all the history we enjoy with you..... from camping times to the Singing Christmas Tree, from Disneyland to Drumheller, from the barbeque to the dining room table, from the altar to the Dairy Queen, from our backyards to Nanoose Bay, from the word "beatnik" to the word "behind", on and on and on. Neil's life was like a gift to many ... and what a gift it was. ALS may have gotten the best of his body but it couldn't silence his courage, couldn't conquer his spirit and certainly couldn't shatter his faith. We support you and surround you with loving prayers and encouragements. "God gives us memories so we can have roses in December." love, Jim & Marci Falconer
