Wiebe and Jeske Funeral Home Staff send our condolences to family and friends.

Tribute from Kevin Muxlow

Relation: Son

You lived an example of what a Dad and Grandpa should be. We will live that example ourselves so that what you showed us will live forever through generations. I love you Dad.

Tribute from Deena Mirva

Relation: friends

To the entire Muxlow Clan,

Doug and I would like to extend our deepest condolences on the loss of your beloved Neil. Although we did not know him very well, we knew what kind of man he was. Amazing The epitome of living life to the fullest while always extending a warm hand shake & greeting. We met Neil and Michelle at the golf course and had some opportunities to golf together & enjoy social time in the lounge. Neil also invited us over one day and loaded us up with a ton of halibut. Every meal we had we discussed him and his generosity.

I know that Neil will sorely be missed by so many people. Please take comfort in your memories and know that he is always in your heart. Continue to share his "truthful" stories forever.

Lots of love,

Doug & Deena Mirva

Tribute from Marilyn (StumpyðŸ©µ) Marchuk

Relation: Very dear friend

I am so deeply sorry for the loss of our dear Neil. My heart aches for you, Michelle and the family. "Neo" was one of a kind. Every time I think of him I hear that unforgettable laugh. I will carry that with me forever. Both of you always had such a beautiful way of making me feel like family, always including me and showing a genuine interest in my life. Neil didn't just ask how you are...he truly cared to hear your answer. I will miss him more than words can say. You know that I will always be here for you for whatever you may need.

All of my love and deepest sympathies to you, Michelle, and the family.

Tribute from Corinne McCabe

Relation: Friend

Neil and Michelle fought a courageous battle against kidney disease. Their journey like so many others was filled with hope and disappointment. I admire their determination and commitment to each other and their courage in facing so many challenges. Neil will be dearly missed. My heartfelt condolences and prayers to all his family and friends and a special hug for Michelle. Please sign your organ donor card if you can. You can save a life.

Tribute from Laura Champagne

Relation: good friend

It's impossible to condense into a few words how big Neil's life was. Gigantic personality, loving husband and father. Not to mention a huge social circle because it was so fun spending time with him. Neil's energy, love and big personality filled up any room he walked into and I feel blessed I was one of his many friends. He will be greatly missed

Tribute from Steve Wade

My heart felt condolences go out to Michelle and the Muxlow family. As a new resident of Chilliwack I was very lucky to have met Neil and share our interests in Golf, horses and Arizona. He was a great guy and I will miss him.
