**Tribute from Susan Tolley**

Relation: director HSC BC HD Resource Centre and UBC Centre for HD team member

I fondly remember Wally at the HSC Retreat (in Squamish). Wally loved to throw a football so we got him a nerf football so he could throw passes to other retreat participants and no one got hurt. He loved the pool basketball and everyone was happy to be his teammate. Most of all I remember his HUGE smile and generous heart. He was kind and loving to everyone. I am sorry I will not be able to attend the service I am traveling out of the country tomorrow till mid December. I will keep Wally in my prayers. Condolences to all the family. You are all in my thoughts as well. Be gentle with yourselves in the coming days, weeks and months. Sincerely Susan Tolley

**Tribute from Peter and Ruth Froese**

Relation: Brother of our brother-in-law

Wally's joy and freedom from the prison of his body in the presence of Jesus must be unimaginable. It's always sad to lose a loved one, but in Wally's case the blessing to him is so much greater than the loss. "...he will swallow up death forever. The Sovereign LORD will wipe away the tears from all faces..." Isaiah 25:8a
