Tribute from Tracie Richardson

Relation: Long time friend

Rest in peace Pat. You were like a second mom to me, knowing you and your family since I was 5 years old and being a family friend for all these years I always thought of you as my adopted mom. I will never forget the most amazing loving hug you gave me last year after a lot of hard times in my family. Even while you were not well and had trouble standing you leaped out of that chair to hug and console me and give me your love. You will be forever remembered in our hearts and memories and forever loved. Give your Big guy Ivan a hug from us too! With Love.

Tribute from Doris Cochrane

Relation: Family friend

It is with such sadness to hear of the passing of Pat Johnson. We have so many memories of her with Mryt and Cliff. She will be missed. She is now with her soulmate in the heavens and that gives us some peace. My sympathy and heartfelt sorrow to Christine & Danny and family. Love from Doris Cochrane & Family

Tribute from Alice Primrose

Relation: Relationship - How did you know the deceased?

I worked at Galaxy Bowl in about 1975. I remember Pat bringing wee Christine in to the nursery there to be minded while Pat went to bowl. That was 40 years ago..and while I don't remember many people from that time, I absolutely remember Pat. Such a very nice person-always friendly, always appreciative. Other than the kids, it was parents like her that made my job enjoyable! A very memorable lady...I am sorry for your loss!
