Take comfort in the knowledge that a special angel now watches over you.
She will be sorely missed.

Tribute from Imtiaz Joorawon

Relation: Work colleague.

Pat, we met 14 years ago, been best friend at first sight, and has been working together since. Now that you are not here, I will miss you forever and ever.

Tribute from Kate Delacherois

Relation: Nurses together

We were nursing buddies. She had the gift of being a great listener and could put a different, often positive perspective on a situation for you. She was quick to laugh and I never saw her lose her cool.

I will miss her wisdom and humour !

Tribute from tammy burmeister

Relation: i am her daughter

Its been almost 3 weeks since you passed and I miss you so much. I miss not being able to call you. I think about calling your a dozen times a day. Sometimes I phone and hope you answer. Everything is different now. Like Madison used to say.. "we love you and like like you"

Tribute from Karl Pfeifer

Relation: Coworker and friend in Winnipeg

I am sorry to hear of Pat's passing. She and I hooked up when we were working the graveyard shift as Postal Clerks at the Main Post Office in Winnipeg and had some good times together. I also babysat Jeff and Tammy a couple of times back then. We managed to reconnect and update by phone when I visited Vancouver, but eventually fell out of touch. She was a great gal who I'm sure will be fondly remembered and missed by many. My condolences to them all.
