**Tribute from Kathy Currell**

Relation: Alcan - Kitimat - ?? years

Hi Susan: You may remember me as the secretary at Alcan (Public Relations) while you were a tour guide at the smelter. I saw your dad's obit in the paper and felt compelled to drop you a line as I knew you better than I did your dad.

May I offer my sincere condolences for your loss. May I also offer my very best wishes to you.

Kathy

**Tribute from Nancyjane Harness (nee Mitchell)**

Relation: high school friend of Dennis'

Dennis; for whatever reason I have found myself running into so many people from our MESS years, quite often under circumstances relating to the passing of a parent. (I suppose we're getting on on years!) At a recent gathering your name came up and many fond memories were recalled, the next day I saw the obit for your dad. Thought I would just pass on my regrets...I remember a quiet unassuming man. Regards....Nancyjane
