### **Tribute from Karen Saenger**

Relation: Colleague and friend

I am sad to see the obituary in the Abbotsford News. Peter, the consummate gentleman, stepped into the role of IB Coordinator and teacher at Abby Senior when I had a leave to go to Rwanda. I believe I met Peter through Eric Ratzlaff, another giant of a decent man.

Over the years at dinners at the Ratzlaffs, Peter and Joan, Daisy Martens and others, had wonderful conversations and shared food and talked about world events.

To the family: I am sorry for your loss. Peter lived a rich and fulfilled life but you must miss him enormously. My condolences.

### **Tribute from Linda Kerr**

Relation: I was his student, and he was my mentor.

Peter was my teacher at Mission Senior Secondary. He also sponsored the Annual (Yearbook), for which I was editor a number of times. After the Class of '64 graduated, he came to our many reunions and always had a story or two about students he remembered fondly — as we did, him.

The world was a better place for his teaching and his presence in our lives, and we will miss him.

### **Tribute from Gerry Olund**

Relation: Student

"Mr. Enns" was my Socials 11 and History 12 teacher when I was in Grade 12 at Mission Secondary School in 1963 and 1964. "Mr. Enns" class was one of my favorites and I admired him greatly for his smile, knowledge, caring and sense of humor. I believe that he was instrumental in my decision to become a teacher and, you guessed it, teach Social Studies. I wanted you to know that he touched my life and I know that he touched the lives of many others. My sincere condolences to his family and friends.

Dear Joan and family, I am so sorry to hear of Pete's passing. Your grief must be palpable. Praise

God for so many years of fond and loving memories. You both have held a warm place in my heart for many years. Never forgotten your love and kindness toward me. You remain in my prayers till we all meet again very soon, in glory. Much love, Janis Taylor, now Fowler.
