Tribute from Pat Clark

Relation: Served on the school board with Peter

I thought your dad was a sweetheart and it was kind of like working with my own dad. He was a man of empathy, clear strong principles and fierce strength for getting a job done.

He was also greatly P.O.d when a young lady crashed into his little Mazda on Chilliwack River Road.

I am sad for your double loss this year ladies.

Pat (Northgraves) Clark

Tribute from Barry Evans

Relation: Student

So sorry to here of Peters passing. I was a student in grade 5 in 1970 when I first met Mr. Neumann, must of done something terribly bad for he made me stand by the piano in the hall in front of his office for quite a long time and think of what I did. A couple years ago I had the pleasure to work for him at his home. As I talked with him I realized what a nice person he really was, and that he had a very clever sense of humour. I will always cherish my memories of Peter. Regards Barry Evans
