Tribute from Larry Penner

Relation: Nephew

Hi Leroy & Luella, I wish to offer my condolences at the passing of your dad. I have many great memories of him and your family even though we've mostly lost touch over the past number of years. Your dad was great on the fiddle and I loved how he could play the train number. I saw him do it with his band on the one trip our family took to visit your family when I was about 13 or 14 years of age. I wish you all the best, I was so pleased to see you both at the time Rona got married in Abottsford. Sincerely, Larry Penner
