Wow... I am at a loss for words. I can't believe he is gone. He always had so much energy and life within him. I am so sorry for your loss. I am so sorry to hear that Dr. Taams won't be there to give me a hard time any more. I am so sorry to all those who will miss him so very much. I have been around for a lot of years, and in and out of that house so many times... and always he was there with his

mischievous grin. He will be missed by a lot of people... but to you guys, missing him most of all, I can only send my love.

Tribute from Valerie and Alfred Leung

Relation: He was our doctor for 30 years

Dr. TAAMS has been our Doctor since our kids were born. (31 yrs.)

He has been so gracious to my 90 yr. old mother in keeping her healthy. We are still in shock and disbelief but appreciate everything he has done in keeping us healthy. No words can express how thankful we are to be under his care. Val

Tribute from Tanya

Relation: Friend/Patient

I just got news of Dr Taams passing. He was of so much help to me from 1990 to 2015. I was inspired to go into the Natural Healing industry because of his work. A man who was passionate about what he did, and was always nice to visit his beautiful home. My heart and prayers and condolences go out to the family. xo

Tribute from nadine

Relation: patient and friend

An amazing man that will be very sadly missed! I have known and was treated by Dr Taams, for the last 11 years. On my last visit we chatted about who inspires us in our lives. I said well of course the Dalai Lama. Dr Taams then told me of his travels to treat the Dalai Lama sometime in the 1970's. I have now added Dr Taams as one who has inspired me to believe in what I feel rather than what I see or hear. my condolences to all that knew him

Tribute from Doug Gregson

Relation: Our Naturalpath

The Families of The Gregsons, The MacDickens, and The Casorias - all from Maple Ridge - would like to send their very deepest and sincere condolences to the Taams' family for their loss. Dr. Taams did wonders for all members of our families and he will be sorely missed by us. He was always working in our best interests - even when he was brutally frank about issues we had! The Light of the World is a

little dimmer today.

Rest in Peace Pieter, knowing so many thought so highly of you.
