for his family, cooking great meals and golfing. Dad is a well respected man with a hard working ethic and loyalty to his family and friends. We are greatly saddened by his sudden passing. For years his occupation was logger in the forest industry; he loved being outdoors. Dad cooked great, delicious meals and loved having company over. Dad loved to go on vacations, make life meaningful and worthwhile. He never let a day pass without making it interesting. His personality was out-going, loving,

accepting, appreciative, confident, compassionate, honest, intelligent and ambitious. He was a member of the Knights of Columbus, Shriners and Masons. He spent most of his life in Duncan and then later moved to Chilliwack. We love you and will all miss you. You are very important to us and we will never forget you.
