Tribute from Brenda Bradford

Relation: Friend

Marilyn and family; My thoughts and prayers go out to you at this time of sadness. Bob was such an interesting fellow he always had a joke or a story to tell me that brought either a smile or laughter. It was really nice to get to know Bob more through our many group trips and vacations and I certainly appreciated his good sense of humor. The thing I remember about Bob the most was that big smile and to me it always seem to have a slight mischievous look to it. As I got to know Bob more I realize that I was right because he could be pretty mischievous behind that little smile. Rest in peace my friend and a big hug to you Marilyn and we will talk soon.

Love Brenda
