Tribute from Tracey Griffin

Relation: Relationship - How did you know the deceased?

I don't think I have ever met a man as heartwarming as Roger.

His face and smile would light up a room.

His laughter and joy was infectious.

His attention and dedication to his Coco was unyielding.

Roger's spirit touched us all.

Au revoir Roger

Tribute from Tracey Hamilton

Relation: Dear Friend

Roger ~ A kind and gentle soul forever.....

I will miss Roger very much! I know how much he meant to his family, as well as how much he loved them back, and how much everyone respected Roger. I will miss his Happy Spirit. I will especially miss his wonderful laughter that I would hear at the cabin when he was talking on the phone with Peter. His laughter would carry so much through the phone ...that that I could hear him from upstairs. He had such an infectious laugh, that you couldn't help but laugh when he would. We will miss his precious morning phone calls and conversation's, absolutely everything about him and so much more! Roger was, and will always be a very special person that I was lucky enough to have known, and I will cherish that for a lifetime. Roger will be greatly missed, and always loved!

Lovingly,

Tracey Hamilton
