Words cannot express how much I will miss you and I am feeling a little lost you and Mom where my world and it will not be the same without you in it but always know you are in my thoughts and you will always be in my life as I know you will be my angel on my shoulder and watch over me and Joey in our life.

Please God watch over my whole family and let us all come together and give us peace.

Tribute from Ken Mulder

Relation: Friend

I was on the computer today, thinking about all the friends I had in the past and I thought of Ron. We first got to know each other at work and slowly became friends. he was a good hearted person, who loved to joke around and make others smile. He was a the best man a my wedding and stood by in one of the most important days of my life. But with marriage and time we slowly grew apart but I never forgot what a kind person he was. He will be truly missed. It greatly saddens me that I wasn't at his funeral. My sincerest condolences go out to his Mom and his family.
