My heart sunk when I found out what you were going through, then when I received the news that you had passed my heart sunk even more. I know our families have been on separate roads but there was never a day that I didn't think of you and Auntie Denise. Auntie Denise, know that we are family and we are always here for you. I will forever remember the days spend on the boat and crab fishing. Some of my fondest memories of my childhood involve you and Uncle Roy. My deepest and sincere thoughts are with you in this hard time.

Uncle Roy we will all miss you very much. I will always remember your kindness, generosity and your hearty contagious laugh. You will always be in our thoughts and hearts forever. I am very grateful for the many wonderful memories we had with you, Auntie Denise (and of course Cosmo). Auntie Denise my heart goes out to you. I wish I could be there for the service. My sincerest condolences, sending lots of love your way today and always.

Tribute from Jessica Fighter

Relation: Uncle

It is with a sad and heavy heart that I write this. Uncle Roy was an amazing man, so generous, thoughtful and such a great sense of humor. I will always remeber spending time crab fishing on the boat, having my first motorcycle ride and how excited we all were while waiting for Uncle Roy and Auntie Denise to arrive for their visit. The time we had with him was short but it impacted our lives greatly and will never be forgotten. I have always been inspired by Uncle Roy and Auntie Denise, for no matter how successful you are it is always the little things that make everything worth while; like the love they share. My heart goes out to Auntie Denise, and to the rest of the family. We are always thinking of you and we are always just a phone call away.
Love always. Xo
