**Tribute from Wiebe and Jeske Funeral Home**

Wiebe and Jeske Funeral Home Staff send our condolences to family and friends.

**Tribute from Bill Cumbers**

Relation: Good friends

Roy was always there for us his knowledge and experience was endless. He taught me how to do many things like tying tarps, building fires, he was always busy. His love for his family and friends was immense, and he would fight to protect them. His love for animals Duchess and Tiny was obvious. He could be grumpy or even dangerous if you made him angry. I always enjoyed camping when the Louttit's were there. We had a great friendship that I will miss and I will miss going for fish and chips with him. Rest well buddy

I used to serve Roy coffee at Tim Hortons, he was a regular at our coffee shop. Such a nice guy, I had so many great conversations with him, he is so intelligent. Going to miss that man, Rest In Peace my friend.

**Tribute from Michelle V. Wulff**

Relation: Friends

Would like to express our condolences. Roy was my story telling friend at the flea market. Loved it when he use to come in and share his stories with me. I work in the crime prevention environment, and we shared a lot of viewpoints with our criminal activity. Also, loved his beautiful Christmas display at his wife and his home. I am sure I can speak for the others at the flea market, he will be missed dearly. xxxoo

Relation: A man I was happy to call my friend.

You always had a smile to share and made me laugh whenever I saw you. You told such great stories that I hope will be remembered and passed down to the youngsters. We will miss you Roy. Big hugs to you dear Wilma.
