Tribute from Teena (MacDonald) Newport

Relation: friend and neighbour

My heart goes out to Sharon's family at this very difficult time. Sharon was a neighbour of mine when we were both young mothers and lived on Meadows Street in (then) Clearbrook. I remember her fondly from those days. I sincerely wish that her beautiful life will give the family comfort as you reflect on those special memories you have shared.

Tribute from Jenny Van reeuwyk

Relation: friends, neighbors, our children went to school together

For the family: Deepest condolences to everyone. Even though its been years since we seen each other, I have always found Sharon to be one of the most caring people I have ever know.

Tribute from Marci

Relation: Our son's bus driver

We remember Sharon fondly as she drove Richard to and from school on the wheelchair bus when he was a youngster. She even took him out on a few outings after work. A kind lady and I'm sure she had many stories of our son's antics on the bus ie: hair pulling. So sorry for your loss.
