Tribute from Alyne (Elaine) Penco

Relation: Friend

I met Sheila when I was 21 years old and she became my best friend, mentor for 40 years.. We were as close or closer than two sisters could be at times. So many wonderful memories of the times I spent in her company. I was in awe of her, she was a terrific mother, wonderful partner for her husband, a fabulous grandmother, and the best friend one could ever wish for. I was so saddened when I heard of her passing but I know she is not in pain or suffering and for that I am grateful. She will always be in my heart. My thoughts and prayers for her family.
