I sang in a quartet with Stan. Great guy. Sorry. Such a loss! May he rejoice in the presence of our Lord.

Tribute from William Badke

Relation: Friend and colleague

Having known Stan for 46 years, his going is a deep loss. I remember him as a man of constant energy and desire to make a difference. He was a dominant influence in my becoming a librarian, and my first library position was as his student worker. My deep condolences to the family as we live within the blessed hope.

Relation: friends

We were very sorry to hear (somewhat belatedly) of Stan's passing. May God grant you peace that goes far beyond human understanding. Shakespeare was wrong. The good men do lives after them.

Marijke, you and Stan have been a great blessing to us. May God reward you. May God bless and keep you all.
