Dear Audrey and Family,

It was with a heavy and sad heart that I read of Steve's passing this weekend in a Winnipeg paper. I missed his email connection during the past year or so, and frequently wondered how he was doing. I first met Steve in 1945 when we moved to Sifton. It was through my lifelong friendship with his brother, Marcel, that I was able to keep in contact. I will always remember and cherish the memories of our visits in Victoria. A finer gentleman I have not known. May God bless and keep him, and those he left behind to cherish his memory.
