#### **Tribute from Steven Robson**

Relation: Grandson

I remember going hunting with my grandpa alot when I was younger. This one time we were walking across a field that had quite a few cows. As we were walking the cows ran over to me and circled me, must have been around 15-20 cows all looking down on me, I was scared still. Grandpa came walking to me and as he was, he was waving an orange mesh bag and hitting the cows on the butt with it all the while yelling and swearing at the cows to "GET THE \*\*\*\* AWAY FROM STEVIE!"

Grandpa and grandmas house was always warm and welcoming. I will always love them and miss them deeply.

#### **Tribute from Don Chesnick**

Relation: Friend of the family

I remember Susan's mom and dad's home on Cedar Valley. The whole family was part of my childhood as Susan's parents and my parents were the best of friends. I remember picking raspberries on their farm. I send condolences and great memories from the Chesnick family.
