Tribute from Sheri Doerksen

Relation: We rode horses together

Suzie had a way of making you feel important. She never passed judgment and always had something kind and thoughtful to say.

I got to know Suzie better during our ladies' riding time at the Johnsons' barn through COVID. It was such a special time. A chance for us to be together while still far enough apart that it didn't matter. It kept us sane through a difficult season. Suzie brought a lot of fun and warmth to those days, and I truly enjoyed getting to know her better as we shared stories about our kids and grandkids.

She loved riding, loved her dogs, and truly loved life.

The world has lost someone very special. My heart breaks for her family, and they are in my thoughts and prayers during this difficult time.
