Relation: Staff when he lived at Hallmark Retirement Communities

Tom was a resident at Hallmark Retirement Community when I was a staff there. I remember him most from a life-writing workshop - how he elegantly and care-fully shared stories with us all. Life had asked alot of him, and he sought to meet what came with compassion and love. He was an eloquent writer, and a thinker - I remember also him sharing with us how, in his youth, he had been able to write with left and right hand at the same time - starting at a central point and writing outwards, so that the sentence on one side was mirrored on the other!). A gifted soul, to be sure; I am grateful to have met him, and wish his family every good...

Relation: Worked at Hallmark where Tom resided

I worked at Hallmark for a short time and had the greatest pleasure of knowing Tom. He would love to share stories of his growing up and stories from the war. Tom was such a kind soul and a loving man. It was an honour knowing Tom. My deepest condolences to his family. May you rest in peace dear friend.
