

**REMEMBERING**  
**Thomas James Teal**

November 2, 1956 - September 25, 2021

It is with deep sadness and heavy hearts, we share that Thomas James Teal passed away on Sept 25, at the age of 64, after a year and a half battle with cancer.

Tom leaves behind his wife and best friend, Arlene Teal, his mother Corky Teal, his sons Kevin Teal and family, Bryan Teal and step son Nolan Adam and family.

Tom was employed with Coast Mountain Bus as a mechanic. He worked with the company for 40 years which he was extremely proud of. He also worked on many seniors vehicles, helping them get the best prices on parts and making sure they were treated fairly. Tom enjoyed traveling with Arlene, and made it to some great places. He loved the adventure of exploration.

He leaves behind a host of friends and co-workers who will miss his great smile, and his wonderful sense of humour.

Due to Covid restrictions, a Celebration of Life will follow at a later date.
