To the Kehler family

Wishing you God's peace and comfort during this difficult time of grieving and remembering. Your mother was a remarkable woman.

**Tribute from sandy hutson**

Relation: I know her daughter, Carla

Carla and family, sorry to hear of the loss of your mother. No matter the age, it's still a difficult time.

**Tribute from Allen Harder**

Relation: Neighbour, and friend of the family.

It was with sadness when I read Tina Kehler's obituary in the Abbotsford News. My heartfelt condolences to all of you. I recall with gratitude how your mom and all of you took me in when we first moved to B.C. We were neighbours then, on Marshall Road. Your mother is a wonderful woman. May God's comfort surround you as you grieve her going.

**Tribute from Gina Hartley**

Relation: friend

I am so sorry to hear of the loss of such a great lady. Tina looked after my Lisa in the early 70's with such love and caring - like a she was her grandma. My garden is still graced with plants from Tina's garden. Tina was someone who left a loving imprint on the hearts of so many. May all the wonderful memories sustain through this difficult time.

**Tribute from Elizebeth Joyce kehlér**

Relation: Daugher in law

Am sending this message from Susie Harms, my mother, as she is no longer able to see clearly enough to send this message on her own. She remembers visiting Tina, every spring when their rhododendrons bloomed and how graciously Tina always welcomed her onto the porch for a visit and

what a lovely time they had together.

**Tribute from Randy Klassen**

Relation: high school friend of Ed

My condolences to all the family, especially Ed. I have fond high school memories of visits in your Marshall Road home (it was always such an interesting place--I have a particular memory of the goats!). And always your mom's cheerful presence in the background. Wishing you comfort and peace as you remember her legacy in your lives.

sincerely,

Randy Klassen (Saskatoon)
