Dear Brian and Family,

More than twenty years have passed since my last visit with Trudy but I can still hear her voice. The wonderful vacations with "the Dalbys" will forever be with me and I cherish these wonderful memories. Trudy will always live in my heart and I hope that your memories will help you through this sad and difficult time.

### **Tribute from Rick and Kathleen Rake**

Relation: Relationship - How did you know the deceased?

To Brian and family, our deepest condolences in this time of sadness and reflection. Trudy was a wonderful soul taken away much too young. It's time to remember the richness of the life she lived and the legacy she has left behind. Take each day as it comes . . . the pain of Trudy's loss will one day turn to fond remembrance.
