Tribute from Karen Hurdal

Relation: She was my first cousin

Thinking of you Krista & family, Judy & family and David & family with heartfelt sympathy and hoping each new tomorrow will bring wonderful conversations about your mom, as well as smiles, comfort and peace.

Its hard to think about your mom without thinking about her engaging laughter, her bubbly personality, her spirit of adventure and the importance she placed on staying connected with relatives, family & friends far and wide. Her many visits to Ontario and USA attest to that and many hours late into the night were spent talking about and new & past experiences, children, joys, successes as well as hardships. The get-to-gathers were very very special because the distance between us kept visits to a bare minimum. I will cherish all the memories I have of your mom for years to come.
