Tribute from Cal and Bev Ross

Relation: friend

Your mom was a special lady and she certainly loved her family and that love flowed through all of you. What a special family you are. She must be singing and dancing now and enjoying all the people she knows there, along with the Lord's presence. May all the memories you have flood your souls as you mourn the loss of your mom and nana. May they comfort you with joy and hope.

Tribute from Heidi Long

To the family of Velma...

I met Velma and Bud, as patients in my massage therapy practice about 20 years ago, possibly more. She had such an impact on me as a 20 something woman, and I've never forgotten her, or her zest for life, her infectious laugh, and her bond with Bud. Some people just have a lasting impact on us regardless of the short time we're connected; Velma was that to me. She taught me that age is just a number. My sincere condolences to all her family and friends, and my gratitude for her presence in my life.

Tribute from John and Josey McIntosh

We would like to send you our condolences on the passing of your Mom. We only knew her briefly while she lived next door to my Dad, David Thiessen at Tabor Court. We always enjoyed her cheerful and friendly greeting. He will be 100 years old next month. Our thoughts and prayers are with you .
