Tribute from John Bjorknas

Relation: We were friends in our youth.

Vern and I were best friends in the early 60s. We had lots of fun playing pool together and going out on double dates. We got a job together digging holes for telephone poles, upcountry for CNCP. I've only seen him a few times in the past few years. I'll always remember him as a true gentle friend.

Tribute from Marlene Braun

Relation: She was my Aunt

To my dear cousins, I know you rejoice in knowing your precious Mom and Grandmother is with Uncle John,Curtis and many others enjoying and celebrating life with Jesus. That brings us such comfort. The hard part for those of us still here is the emptiness left in our hearts, as our parents are ushered into eternity. You had such a wonderful Mom, and she had a most beautiful spirit in her. She held a valued and personal place in my heart . I have so many wonderful memories of the times our families visited with each other. Of all the great times we shared as cousins. You kids always meant so much to me, each and everyone of you. As I think of you, I just want you to know you are on my heart, as I share with you a great loss to us and a gain for heaven. P.S. she looked so cute in her pic. I miss each and everyone of you, and long that we could all get together again. It feels pieces are missing without fellowship with all my cousins. Much Love, Marlene
