Rest In Peace Walter ! I am sending my condolences to your family which I know you LOVED deeply.

I met Walter one very snowy evening when he needed some medical care and we rode together in an ambulance. On our ride to the hospital I was instantly drawn to him and his magnificent personality. He talked to me of his life and faith. I knew I would not forget him. Imagine my surprise to again be lucky enough to accompany him BACK from the hospital to his home that horrible snowy night. Our vehicle got caught in a snow bank and we got to spend more time together while waiting for the city to send a snow plow out to Vye road to free us.

During this time we talked and Walter shared his faith. What an amazing human being. His family was SO blessed !! I NEVER ever forgot Walter and the incredible impression he made upon me and my life. I know he is free from suffering now and his soul can fly free. Thank you Walter for our few hours together on a chance snowy evening many many years ago I am a much better person for having met you.....

Tribute from Rick Rempel

Alida, Mark and Sandy, Jamie and Bob and extended family,

It is with sadness that I had heard that Walt had passed away. I count it a privilege to have known and

worked for him on the farm and I had learned a lot from him during this time.

May the peace and comfort that God gives, rest on you during this difficult time. You all are in our prayers.

Rick, Trace and family
