Relation: Uncle

So sorry to hear about the passing of Uncle Walter. I have many fond memories of Uncle Walter and Auntie Melita coming to the farmhouse for Sunday fasma. One of my favourite later memories is when they both came to see my mum (Linda) in the care home for her birthday. Debbie and Gary were there, as were my family, and Walter and Melita. The best part was Uncle Walter trying to have a conversation with mum, who was deaf!

### **Tribute from Jim Ashbaugh**

Relation: My wife and I took swimming lessons with Walter and family, many years ago.

Melita and family. I read about Walter's passing. My deepest condolences to you. I have found memories of talking with him over many years.

### **Tribute from Helen Milliken**

I offer my deepest sympathy to Walter Dyck's family and friends. He was an amazing man whose love for his wife and family was evident in everything he did. He'll have a special place in Heaven.
