**Tribute from Sharon Goertz**

Relation: former tenant

There was an announcement in the Willingdon church bulletin last Sunday that Walter had passed away. In reading the obituary, I saw that Betty had also passed away 9 months ago. I wanted to send my condolences, as I have fond memories of Walter and Betty! I lived in their basement in Burnaby

one year, and they were the best landlords! And then they supported me for many years as I served in Mali, W. Africa, and I was always happy to visit with them while in Canada. I had lost touch with them lately, and missed seeing them. I will always remember their joyful love of life, and the encouragement they gave me along the way. They will be missed! May the Lord give much comfort to the family!

Relation: family friend

Hi Phil and Family

I was sorry to hear about the passing of your father. With both of your parents passing within 9 months, it must be very difficult. Our prayers are with you all.

Just think, your folks and my folks are enjoying being reunited. It is difficult to believe, but that is the hope of all who believe.

God bless you all.

Bill Toews
