Opa , it makes me sad I did not get to see you again before you left, but I will always have memories of you to hold close to my heart. You were the only grand father I was blessed to know. I have so many lovely memories of my trips to canada. From airport pickups, staying in your home, walking through your garden and picking strawberries to camping in the middle of no where! One thing in particular that has always stayed with me is how we would pray before every meal. It taught me to be grateful for everything I have. Thank you for all that you were to me. No one can ever replace you or the warmth, knowledge and love that you influenced me with. Rest in love Opa, I love you

Dear Dad,

'Gone too Soon' as they say here. You were not ready to go, you felt you had more life in you. You said you were only 90. You still felt ok. You just wanted to go to your suite. I am sorry you did get your way. I hope you are resting easy now. May your soul rest in peace. Your kids will miss you dad. All our love.
